

# International Conference Chemical Constellation Cheminar (C<sup>3</sup>)– 2026

## Next Generation Materials for Energy and Environmental Applications

**April 03-04, 2026**

**Organized by**

**Department of Chemistry**

**Dr B R Ambedkar National Institute of Technology Jalandhar, Punjab, India**

**&**

**University Abderrahmane Mira-Béjaïa (Algeria)**

About Conference

The aim of the conference C<sup>3</sup>-2026 is to create a platform to bring together the faculty, researchers, students and Industrial experts for exchanging the latest research advancements in materials and interdisciplinary areas towards the sustainable technological development.

During the conference, the participants will have an opportunity to interact with the expert researchers from the various parts of the world. Participants will also have the opportunities to establish the research collaborations with the Industries and academia through different interactive sessions with the experts.

Over the course of two days, participants and experts will present their latest findings and the future directions in materials research related to polymers, electronics, sensors, nanomaterials, textiles, defence, healthcare and other related areas. Participants will have the opportunity to publish their findings in Materials Today: Proceedings (Elsevier) Journal.

About Department

The Department of Chemistry – NITJ is one of the seventeen departments of the Institute. The coherent, cohesive and homely environment of the Department is attributed to the students, faculty and staff with tremendous potential and opportunities to grow academically, emotionally and spiritually. The Department started functioning in 1989 for teaching undergraduate (B Tech) students. M Sc and Ph D Programs were initiated in July 2006. The Department is striving to emerge as a premier Centre of Chemistry teaching and research of the country. Within a span of nineteen years, the Department has achieved results which reflect upon the growth pattern of the Department.

Registration Fee

Registration Fee*	Category	Up to 15, March 2026	Up to 25, March, 2026	On-spot
Foreign Delegates	Delegates/Academic/ Industry/R&D	\$ 400	\$ 450	\$ 500
	Student Delegates	\$ 200	\$ 250	\$ 300
	Accompanying Person	\$ 250	\$ 250	\$ 250
Indian Delegates (Including GST)	Industry	Rs. 6000	Rs. 8000	Rs. 10000
	Academic / R&D	Rs. 4000	Rs. 4500	Rs. 5000
	Students	Rs. 2000	Rs. 2500	Rs. 3000
	Accompanying Person	Rs. 1000	Rs. 1200	Rs. 1500

Themes of Conference

- Polymers and Composites
- Nanomaterials
- Smart Materials
- Porous Materials
- Stimuli Responsive Materials
- Advanced Energy Material
- Sensors and Actuators
- Advanced Biomaterials
- Magnetic Materials
- Biofuels
- Materials for Healthcare
- Electro- and Photocatalysts
- Theoretical Chemistry
- Green Materials
- Peptides and Proteins
- Defense Materials
- Forensic Materials
- Materials for Manufacturing Processes
- Any other relevant topic

Organizing Committee

*Patron-in-Chief*  
Prof. J S Yadav  
Chairman, BOG, NIT Jalandhar

*Patron*  
Prof. Binod Kumar Kanaujia  
Director, NIT Jalandhar, Punjab

*Chairpersons*  
Prof. B S Kaith, Department of Chemistry, NITJ  
Prof. N C Kothiyal, Department of Chemistry, NITJ  
Dr Uma Shanker, Head, Department of Chemistry, NITJ  
Dr Dalila Hammiche, University Abderrahmane Mira-Béjaïa, Algeria  
Prof. Ajay Bansal, Department of Chemical Engineering, NITJ
